

FOUNDER STOCK PURCHASE AGREEMENT

This **Founder Stock Purchase Agreement** is entered into as of **January 5, 2026**.

Parties

Company: Edplay Inc

Founder: Myroslav Dolhushyn

1. Issuance of Shares

The Company issues to Founder the following shares of Common Stock:

- **Number of Shares:** 1,200,000
- **Purchase Price:** USD 0.00001 per share

2. Consideration

The Shares are issued in consideration of:

1. Founder's **future services to the Company**; and
2. The **assignment of all intellectual property** to the Company pursuant to valid execution and delivery of an Intellectual Property Assignment Agreement, by and between the Company and Founder, dated on or about even date hereof (the "IP Agreement").

3. Confidentiality

Founder agrees to keep confidential all non-public Company information.

4. Representations

Founder represents that Founder is not subject to any agreement or obligation that would conflict with Founder's obligations to the Company regarding the assignment of intellectual property, and Founder has full right and authority to assign to the Company all intellectual property contributed or to be contributed by Founder to the Company pursuant to the IP Agreement.

4. Governing Law

Delaware.
